# Cat.5e & Cat.6 Surface Mount Box

## Cat.6 Type

**B Type**

**B Type**

**3002 and 3003** series surface mount boxes with shutters are high speed Cat.6 exceeding with the TIA/EIA-568-B.2 standard and certified by UL. Offering icon cutout for distinguish each port.
Boxes attach directly to walls, skirting or even desks.
Includes twin adhesive tape and identification labels for port identification.

**Specification:**
Materials: UL94V-0 ABS
Dimensions One port : W48.0 X L65.0 X H27.0
Two port : W75.0 X L65.0 X H27.0

*High Performance*

**Keystone type** series surface mount boxes (B TYPE) are offering high speed Cat.6 exceeding with the TIA/EIA-568-B.2 standard and certified by UL. Keystone Jack Fit with CAT.6 keystone jack.

**Specification:**
Materials: UL94V-0 ABS
Dimensions  One port : W48.0 X L65.0 X H27.0
Two port : W72.0 X L65.0 X H27.0

*Economic*

## Cat.5E Type

**B Type**

**B Type**

**1000 and 2000** series surface mount boxes with shutters are high speed Cat.5e exceeding with the TIA/EIA-568-B.2 standard and certified by UL. Offering icon cutout for distinguish each port.
Boxes attach directly to walls, skirting or even desks.
Includes twin adhesive tape and identification labels for port identification.

**Specification:**
Materials: UL94V-0 ABS
Dimensions One port : W48.0 X L70.0 X H27.0
Two port : W76.0 X L70.0 X H27.0

*High Performance*

**Keystone type** series surface mount boxes (B TYPE) are offering high speed Cat.5e exceeding with the TIA/EIA-568-B.2 standard and certified by UL. Keystone Jack Fit with all standard keystone jack.

**Specification:**
Materials: UL94V-0 ABS
Dimensions One port : W48.0 X L65.0 X H27.0
Two port : W72.0 X L65.0 X H27.0

*Economic*

## Simple Surface Mounted Box

**Features:**

◆ Fits Width max. 22mm

Keystone Jack

# Data Box / Surface Mount Box

## Cat.5E / 6 Surface Mounted Box

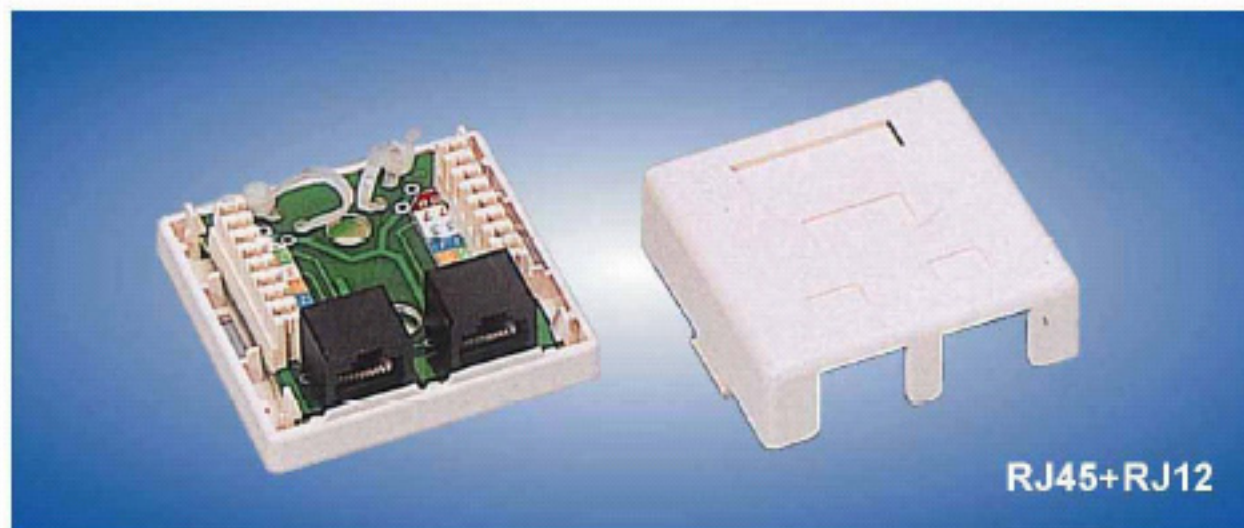

### Cat.5E Type
**Features:**
◆ With Name Plate Device

### Cat.6 Type
**Features:**
◆ With Name Plate Device
◆ With Shutter Device

## PCB Type Data & Tel. Box

RJ45+RJ12

## Universal Type Data Boxes

### Specifications
◆ For keystone jack, blank insert, BNC coupler, F connector, RCA connector and ST fiber optic connector installation. 1/2/4/6/8 ports available

## PCB Type Surface Mount Box
